Forum committee to ascertain is there any *Melaleuca biconvexa* on this site.

GENERAL BUSINESS

Erowal Bay issues.

Forum members are interested in traffic/speed data collect from Council, from both speed sign & road counter. Secretary send request to SCC – how can Forum view/acquire this data?

Growth Management Strategy was discussed. Secretary find out if all GMS 'character assessments' are available to

general public online, and if not, request SCC to make it available online.

Boarding house 120 Mcleans Pt Rd.

Still many issues to be addressed / resolved, and then re-presented by developer. Councillors advised that Staff are aware of community concerns. Staff assess DA & associated issues, and then present their report & recommendations to Councillors.

GUEST: Kim Stephenson, Candidate, State Seat of South Coast for Greens, introduced herself & spoke on core issues associated with her candidacy.

Recycling facility upgrade West Nowra:

When construction is completed, and the new facility functioning – middle of 2020 – will be first one outside of Europe. Computer algorithm can separate green from brown glass.

Metals can be separated.

Existing 2 bin system in Shoalhaven, will remain; no third green-waste bin will be introduced.

After all separation & sorting, the final remaining sterile biomaterial can be used to make insulation, bricks. Can replace wood chip.

Waste coffee pods: Greg Edwards from the Sanctuary Point Nursery advised that his nursery is an official drop-off point for 'coffee' pods.

Anson Street DA: Clr Proudfoot urged that public request SCC to place on re-exhibition, the current DAs for Anson Street.

• Basin Villages Forum supports Council re-exhibiting the Anson Street DA/s.

Meeting closed 8.55 pm
